

## 2018 Summer Math Packets

Dear HMS Students and Parents,

This summer we encourage you to continue to foster a belief in the importance and enjoyment of mathematics at home. Being actively involved in mathematical activities enhances learning.

In preparation for the 2018-2019 school year, each student entering 6th, 7th and 8th grade is required to complete a summer math review packet. Each packet correlates to the Common Core State Standards and focuses on the prerequisite concepts and skills necessary for student success in each math class. During the first week of school, **students will be required to turn in their packets for a grade.** All packets will be available for download at the HMS and HMS PTO website. Additional packets will be available at HMS during summer office hours.

While completing the review packet, we recommend that students:

- **show all steps** used to solve final answers which may require additional paper
- **check all answers** using the answer key
- **use the many resources** available on the internet if they need help

2017-2018 math Class	2018-2019 math class	math packet
5th grade on level math	6th grade CC Math	5th grade math review packet
5th grade advanced math	7th grade CC Math	6th grade Math Review Packet
5th grade advanced math	7th / 8th grade CC Math	6th grade Math Review Packet
5th grade accelerated math	8th grade CC Math	7th grade Math Review Packet
6th grade CC math	7th grade CC Math	6th grade Math Review Packet
6th grade 6th / 7th CC math	7th / 8 grade CC Math	6th grade Math Review Packet and 7th grade Math Review Packet (1-56)
6th grade 7th / 8th grade CC math	Algebra I Honors	Pre-Algebra Review Packet (8th grade Math)
6 <sup>th</sup> grade Algebra I Honors	Geometry	Algebra I Review Packet
7th grade CC math	8th grade CC Math	7th grade Math Review Packet
7th grade 7th /8th CC math	Algebra I	7th grade Math Review Packet and Pre-Algebra Review Packet (8th grade Math)
7th grade Algebra I Honors	Geometry	Algebra I Review Packet
Geometry	Algebra II / Trig	Algebra I Review Packet

The purpose of the summer math packet is to make sure students are prepared to start the year by understanding the prerequisite skills. We understand that summer is a busy time for families. If possible, we recommend that the packet is completed towards the end of the summer to ensure the skills are secured for the start of the year. We wish you and your family a safe, happy, healthy and mathematically thrilling summer!

Thank you for your continued support,

The HMS Math Department
