
Interested in Running for the D86 Board of Education in the April 2019 Election?

Apply to be Considered for Endorsement with the D86 Caucus!

• What is the D86 Caucus?

- We are a non-political group of volunteers representing each of the elementary schools that feed into both Hinsdale South and Hinsdale Central High Schools who have come together to identify and endorse candidates for the D86 Board of Education (BOE).

• Why are you doing this?

- While each of us has different reasons for being involved, we all share the desire to improve our D86 schools for years to come.

• Is participation in the D86 Caucus selection process required to run for the D86 Board of Education?

- Absolutely not! Anyone can run for the D86 Board of Education (BOE), even outside of the D86 Caucus process. Candidates endorsed by the D86 Caucus will have been fully interviewed and selected through a set process.

• If not required, why should I participate in the D86 Caucus selection process?

- A D86 Caucus endorsement will assure community members that a candidate is both motivated and qualified to participate in the school governance process and has met many of the characteristics of effective school board members as outlined by the Illinois Association of School Boards.

• What are you looking for in a candidate?

- Individuals with a strong sense of responsibility to their community. Candidates must reside in the D86 attendance area and have an interest in the issues facing the district. Must show a willingness to receive input, have a team-centered approach to problem-solving and understand a board of education's role in the school governance process.

• Where can I find more information about serving on a Board of Education?

- To learn more about running, please refer to these resources sponsored by the Illinois Association of School Boards:
<https://www.iasb.com/elections/>

• How can I stay informed about further announcements by the Caucus?

- Please visit the D86 Facebook page:

• How do I apply?

- All prospective candidates seeking a D86 Caucus endorsement are asked to submit an application by September 26th. Visit the D86 Facebook page to apply.
